Art Unit: 2857

1. This application is in condition for allowance except for the following formal matters:

a) The specification amendment on page 1 which adds the Claim of Priority paragraph is improper under 37 C.F.R. 1.121 because the text of a new paragraph or section should not be underlined. Appropriate correction is required.

b) The specification amendment to the paragraphs starting on page 4, line 26, and the specification amendment to the paragraphs starting on page 6, line 33, are both improper under 37 C.F.R. 1.121 because double brackets are being used to delete text that is more than 5 consecutive characters. In addition, in the specification amendment to the paragraph starting on page 4, line 26, the word "classifier" in the original specification paragraph is changed to "classifies" without the appropriate mark-ups to show the change. It appears that in line 5 this should be "...the data classifier...". Appropriate correction is required.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
